FEMA Continues to Support Response Efforts in West Virginia

01/14/2014 08:24 AM EST

CHARLESTON, W.Va. – The Federal Emergency Management Agency (FEMA) on site in Charleston, W.Va., and through its regional office in Philadelphia, Pa., continues to work in close coordination with the West Virginia Division of Homeland Security and Emergency Management to support state and local efforts to ensure public health and safety, in response to emergency conditions resulting from a chemical spill in Charleston on Thursday.
